Homework #3

Junwu Zhang

CME 241: Reinforcement Learning for Finance

Janurary 15, 2020

Problem 1.
The programming assignemnts include:

- Write code for Policy Evaluation (tabular) algorithm
- Write code for Policy Iteration (tabular) algorithm
- Write code for Value Iteration (tabular) algorithm

Solution.
Code for all problems above is shown in folder **/Assignmennts/0_Basic_DP_RL** in files:

- `policy_evaluation.py`
- `policy_iteration.py`
- `value_iteration.py`
